The site plan illustrates the layout of the proposed development. The main building footprint is centrally located, with a 'MAIN ENTRANCE' on the north side and a 'REAR ENTRANCE' on the south side. To the west of the building is a 'PARKING LOT' and a 'STREET LIGHT'. To the east is another 'PARKING LOT'. The plan also shows 'STREET CLOSURE' areas and 'STREET LIGHT' locations. A north arrow is positioned in the top right corner of the plan.
